

Definition of Antisemitism

As set out in our Equal Opportunities Policy, ArtsEd is committed to fostering a positive culture where all staff, students and visitors can flourish, and where no-one will feel compelled to conceal or play down elements of their identity for fear of being stigmatised.

We are committed to providing an environment in which the rights and dignity of all are respected, and which is free from unlawful discrimination, prejudice, intimidation, and all forms of harassment including bullying.

In line with these commitments, ArtsEd adopted the IHRA's working definition of antisemitism on 27 May 2021. The working definition states that "Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities."
